

### Do you want to speak with Jarvis on the phone?

Though Jarvis enjoys corresponding with many of you in letters, he wants to hear your voice and he wants you to hear his. Jarvis is a human being after all, and wants to be known and loved as the full-hearted, fully human being he is; he wants the closeness that voices bring in a spontaneous conversation filled with the joy, laughter and sorrow springing from people just talking and sharing stories.

If you would like to speak to Jarvis on the phone, he can call you.

Here is what you need to do to set up a GTL account to make that happen (and it's pretty easy according to a recent GTL convert):

1) go here: <https://web.connectnetwork.com/>

2) Click on "Create Account"

**3) For state, Select "California" and for facility, select "CA Dept of Corrections & Rehabilitation"**

4) The next page will ask you for the phone number you want to get calls at. Type that in.

5) Next, Skip Inmate Search page for now (this is if you are going to add funds to Jarvis' account). You can always go back to that later

6) Next, fill out your profile, account, and security info

7) Review, then confirm

**8) You will get an automated email at the email address you provided with a link to activate your account. Follow the directions on it. It will direct you back to the GTL main website in which you can process your payment**

9) There are several ways to pay. Paying online by credit card is the easiest and quickest (and probably safest way) to pay. [Ways to Pay Deposits and Payments | ConnectNetwork](#)

10) After you pay, you will get an automated confirmation email of your payment

11) There is also an option to call a live representative at GTL, so if you can't figure the above steps out, get them to help you!

**12) Inform the website administrator that you have an active GTL account and provide the number Jarvis can call you by emailing [freejarvis@gmail.com](mailto:freejarvis@gmail.com). Please provide your preferred times for calls (plus your time zone), and some details about yourself and why you'd like to talk with Jarvis. This information will be passed on to Jarvis so that he can call you and have your first conversation with him get off to a good start.**

Additional info:

- Calls from Jarvis will show on your phone as **GTL Houston 713-568-6986**.
- The current rate for GTL calls to SQ is 14 cents per minute, so a 15-min. phone call will cost approximately \$2.10 and an hour is \$8.40 (plus taxes). You are given a warning about 10-15 minutes before your account balance gets to zero. If your account runs out during a call, the system allows you to refill it over the phone by credit card or you can also call the GTL Advance Pay line 1-800-483-8314.
- Jarvis usually has access to and can reserve using the phone between 7:30am -9pm daily. Inmates are allowed up to 1 hour on the phone, and occasionally more if other inmates forfeit their reservation. His calls are allowed in 15-minute increments; because the time is split up in 15-min. increments, Jarvis can call one person several times, or a few different people a day in shorter spurts.
